

Skier Etiquette

- Help keep the trails in good condition. Do not walk on groomed trails. Do not skate or snowshoe in the classic tracks.
- Skiers going uphill yield to downhill skiers.
- Do not stop where you obstruct a trail or are not visible to others.
- When using the Herring Bone technique on an uphill, please move into the skating lane to preserve classic tracks for the next skier.
- Don't ski onto posted property
- When overtaking other skiers call out to make them aware of your intentions. The slower skier should yield to the faster skier
- Assess your ability when selecting a trail. Be careful to ski within your limits.
- If you see a fellow skier in need, take the time to stop and help.
- Garbage is your responsibility. Please pack it out.
- Dogs are generally not acceptable on groomed trails. Any time you do ski with your dog, please keep your pet under control.

YOUR SUPPORT IS NEEDED!!!!

Cross country ski trail maintenance and grooming at HHSSRA is conducted by the Rochester Cross Country Ski Foundation (RXCSF) in collaboration with the NYS Office of Parks, Recreation and Historic Preservation. RXCSF is a 501(c)(3) non-profit public charity with a mission to develop the sport of XC Skiing in the Greater Rochester NY area. Funding for trail maintenance is dependent in large part on the generous donations of trail users like yourself. Please consider making a tax-deductible donation TODAY to assure that HHSSRA can continue to be a prime venue for skiers of all abilities. For more information, please visit the RXCSF website at www.xcrochester.com

For more information on the sport of orienteering, or for a complete schedule of events organized by the Rochester Orienteering Club, visit www.roc.us.orienteering.org.
